Interim Summary:

Event involves what seems like an attack. The idea of an "energy - guidance" is present, like radio waves or light waves are utilized to "get something to its objective (target)". There are people at the target.

AOL - smart bomb, SIGINT, laser guided munition

AOL - Libyan bombing - raid.

18th area involves a coast & low hills

Something seems to "drop down from the sky" against a target. but there is guidance involved, a marking.
